

2nd International Conference on **Zika Virus** and **Aedes Related Infections**

June 14-17, 2018  **Tallinn, Estonia**

viruses

The 2nd International Conference on Zika Virus and Aedes Related Infections is collaborating with *Viruses* - Open Access Virology Journal.

Delegates are welcome to submit their full papers for publication in a special issue. *Viruses* will offer these delegates a 10% discount on the publication fee.

[Viruses](#) (ISSN 1999-4915) is an open access journal which provides an advanced forum for studies of viruses. We aim to help researchers present their cutting-edge findings and opinions in detail and have quick dissemination among their peers. Original articles, reviews, communications, conference reports and short notes are all welcome.

[Viruses](#) is covered by leading indexing services, including PubMed, Medline, the Science Citation Index Expanded (Web of Science), Scopus and other relevant databases. The Impact Factor (IF) for the year 2016 is 3.465.
